### Dear Ms Goodreid

# Completion of the limited assurance review for the year ended 31 March 2023

We have completed our limited assurance review for the year ended 31 March 2023 and I have pleasure in enclosing the certified Annual Governance and Accountability Return. The External Auditor's Certificate and Report is given in Section 3.

If there are any significant matters arising from the review, they are summarised in the External Auditor's certificate in Section 3. If we have identified minor scope for improvement we have recorded this on page 2 of this letter. The Council must consider these matters and decide what action is required. In most cases this will be self-evident. In some instances we have referred to further guidance available, in particular, in the publication "Governance and Accountability for Local Councils – A Practitioners' Guide (England) 2022. This can be obtained via your NALC or SLCC branch, or downloaded free of charge.

## Action you are required to take

The Accounts and Audit (England) Regulations 2015 set out what you must do at the conclusion of the external auditor's review. In summary, you are required by 30 September 2023 to:

Publish (which must include publication on the authority's website) a statement:

- that the limited assurance review has been concluded and that the statement of accounts has been published:
- of the rights of inspection conferred on local government electors by section 25 of the Local Audit and Accountability Act 2014; and
- the address at which, and the hours during which, those rights may be exercised.
- Keep copies of the Annual Governance and Accountability Return for purchase by any person on payment of a reasonable sum.
- Ensure that the Annual Governance and Accountability Return remains available for public access for a period of not less than five years beginning with the date on which the Annual Governance and Accountability Return was first published.

Mazers LLP is the UK firm of Mezers, an integreted international advisory and accountancy organisation. Details about our audit registration can be viewed at www.auditregister.org.uk under reference number C001139861. VAT number: GB 839 8356 73

#### mazars

The Accounts and Audit (England) Regulations 2015 do not specify how long the Completion Notice needs to be on the council's website, but this period must be reasonable.

## Minor scope for improvement in 2023/24

No minor issues identified.

#### Accessibility Regulations

We are aware that the Accounts and Audit Regulations requirement for a physical 'wet ink' signature on the original AGAR, does not allow parish council's to fully comply with the Accessibility Regulations. The National Audit Office are aware that the two pieces of legislation are not compatible, therefore smaller authorities are advised to make it clear on their website that the document is a scan and will not be fully compliant with the Accessibility Regulations.

#### Audit fee

Our fee note for the limited assurance review which is in accordance with the audit fee scales set by SAAA, and available at <a href="http://www.localaudits.co.uk/fees.html">http://www.localaudits.co.uk/fees.html</a> will follow.

We would be grateful if you could arrange for this to be paid at the earliest opportunity.

Yours sincerely

# Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2022/23

- The authority must comply with Proper Practices in completing Sections 1 and 2 of this AGAR. Proper Practices are found in the Practitioners' Guide\* which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any
  amendments must be approved by the authority and properly initialled.
- The authority should receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2023.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order, consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic small addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide\*.
- Explain fully significant variances in the accounting statements on page 5. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not fully explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2022) equals the balance brought forward in the current year (Box 1 of 2023).
- The Responsible Financial Officer (RFO), on behalf of the authority, must set the commencement date for the
  exercise of public rights of 30 consecutive working days which must include the first ten working days of July.
- The authority must publish on the authority website/webpage the Information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor before 1 July 2023.

## 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A **limited** assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the
