6 6.1	Matters Arising All matters arising had been dealt with or were on the agenda.	
7 7.1	Income and Expenditure Councillors considered the income and expenditure report for month 12 – March 2021.	
8 8.1 8.2 8.3 8.4	Terms of Reference for Committee Cllrs considered the Terms of Reference and debated the following points: <ul style="list-style-type: none"> • Standing Orders states that the election of Chairs/Vice Chairs for the four standing committees rests with Full Council. The TOR state that each committee should be able to elect Chair/Vice. <i>The majority voted that the choice of Chair/Vice Chair of Rose Committee should rest with Rose Committee and not with Full Council.</i> • The authority of the Committee to spend was discussed. <i>The majority voted that Full Council give a delegated budget to Rose Committee and spend within that budget would be decided on by the Rose Committee.</i> • Role of Full Council to question matters in the committees may be considered to be reduced if budget and project delegation takes place. Whilst this speeds up operational procedures, it does mean that Cllrs not on Committees don't formally get to see the minutes until after decisions have been taken. 	To recommend to Full Council that Standing Orders be changed to allow Rose Committee to choose own Chair / Vice Chair To recommend to Full Council that budget is delegated by Full Council but detailed spend within that budget would be determined by the committee.
