Dear Consultee,

Cannock Chase District Council
Call For Sites: New Developments 2023

Every year the Council offers landowners and developers the opportunity to submit details of their sites for consideration for development. This helps the Planning Policy team to identify land that is suitable and available to meet future housing and employment requirements

If you are a landowner or developer and would like to submit your sites for consideration or update any details already submitted please use the 'Call for Sites' submission form. It is available to download from the Council website at www.cannockchasedc.gov.uk/planningpolicymonitoring or paper copies can be provided on request from the Planning Policy team (see contact details above). This form can be submitted electronically to planningpolicy@cannockchasedc.gov.uk or as a paper copy to the following address:

FAO Planning Policy
Cannock Chase District Council
Civic Centre
Beecroft Road
Cannock
WS11 1BG

Information submitted as part of the representations to the Local Plan review process will be taken into account and does not need to be resubmitted. The information submitted will continue to inform and contribute to the background evidence base for the Council's Local Plan documents, Strategic Housing Land Availability Assessment (SHLAA), Employment Land Availability Assessment (ELAA), Brownfield Register and the Authority Monitoring Report.

We would like to receive any submission forms (or other comments) by **31st March 2023**.

If you have any questions, please contact Grace Lockley or Matthew Hardy on the details provided above.

Yours faithfully,

Grace Lockley
Senior Planning Policy Officer
