

Item 139
Debit Card

Background

The council has a Lloyds Debit Card which is used to by sundry items for the Council and the Theatre rather than using staff credit card facilities.

A question has been asked about the spending limits on the Debit Card and whist the UK industry limit for contactless payments is £100, the other daily limits are a lot higher:

1. ATM £700
2. Point of Sale £60,000
3. Branch Counter £5,000

For Consideration

Cllrs are asked to consider setting reduced spending limits on the debit card.
