

## Managers' Report.

### Rose committee 14<sup>th</sup> February 2024

#### Microphone hire

Please find attached costings for head mc hire sourced by our tec member Jordan

#### Sound board

Weve recently had issues with our sound board that Jordan has managed to resolve however it now has more issues and Jordan would like to take it off site and do a more in-depth investigation until the issue has been resolved Jordan has kindly loaned us his own, email attached

#### Pantomime

Myself, Sam & Sue had a meeting with Sunshine Productions to discuss this years pantomime and it was decided that this years panto will be Dick Whittington and the Pi-Rat of the Caribbean this was last performed at the theatre 9 years ago and went down brilliantly. The Panto dates are Monday 3<sup>rd</sup> December to Friday 6<sup>th</sup> for schools and 2 public performances on Saturday 7<sup>th</sup> and 1 public on Sunday 8<sup>th</sup>

#### Carpet cleaner

It was passed through the Rose Committee rose that we could hire a carpet cleaner form Morrisons but thankfully thanks to Mel and Martins brother we obtained 2 that we have had the use of for free and the only costs occurred were carpet detergent. All carpets throughout the theatre and the council offices have now been cleaned plus theatre tired seating and some chairs

#### Hiring Rates

These were considered by full council and the attached rates agreed with immediate effect for new bookings. Existing bookings would be honoured. The rates represent a 5% increase for charity and block bookings and a 15% increase on everything else.

Outstanding questions:-

- Bearing in mind how long we are booking in advance, how long do we honour our current rates?
- If we have an annual review, suggest January for implementation in April each year, what do we do about people who have booked in advance, could be up to a year?

Hi Laurie,

As per our conversation last night.  
Below is a screenshot from a local rental company I know. They use the same JTS microphones that we have been looking at getting. They charge £150 for a set of 4 or £300 for a set of 8. Making them £37 per device per week which is in line with what we charge too.

Set of 4	Set of 8
<b>£150</b> /week	<b>£300</b> /week

Hi Laurie,

In other news, I cannot figure out what is wrong with the Behringer Sound Desk and Toby is stumped too, I have tried to see if anyone else has had a similar issue with no luck. With the council's permission I would like to take it off site to try and replicate the issue on another system.

If I can't replicate the issue then I can assume it is something to do with connections in the theatre, which we can certainly look at and sort. If I do end up being able to replicate the issue, however. It will probably mean we will have to go down the route of replacement. I have struggled to find a company that would be competent enough to do that sort of component level investigation and repair. If this is the case, I will of course find the most cost-effective solution.

Thanks  
Jordan
